

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

RICHARD CHARLES GENTRY,

Plaintiff,

v.

CORIZON HEALTH, INC., *et al.*,

Defendants

CASE NO. 1:19-CV-258

HON. ROBERT J. JONKER

**ORDER APPROVING AND ADOPTING
REPORT AND RECOMMENDATION**

The Court has reviewed Magistrate Judge Kent's Report and Recommendation in this matter (ECF No. 58), Plaintiff's Objections (ECF No. 61), and Defendants' Response (ECF No. 63). Under the Federal Rules of Civil Procedure, where, as here, a party has objected to portions of a Report and Recommendation, "[t]he district judge . . . has a duty to reject the magistrate judge's recommendation unless, on de novo reconsideration, he or she finds it justified." 12 WRIGHT, MILLER, & MARCUS, FEDERAL PRACTICE AND PROCEDURE, § 3070.2, at 451 (3d ed. 2014). Specifically, the Rules provide that:

The district judge must determine de novo any part of the magistrate judge's disposition that has been properly objected to. The district judge may accept, reject, or modify the recommended disposition; receive further evidence; or return the matter to the magistrate judge with instructions.

FED. R. CIV. P. 72(b)(3). De novo review in these circumstances requires at least a review of the evidence before the Magistrate Judge. *Hill v. Duriron Co.*, 656 F.2d 1208, 1215 (6th Cir. 1981). The Court has reviewed de novo the claims and evidence presented to the Magistrate Judge; the Report and Recommendation itself; Plaintiff's Objections; and Defendant's Response. The Court

finds the Magistrate Judge's Report and Recommendation, which recommends granting the motion for summary judgment filed by Defendants Corizon Health, Inc., Dr. Ravi D. Yarid, and NP Tammy J. Kelley, factually sound and legally correct.

The Magistrate Judge carefully and thoroughly considered the evidentiary record, the parties' arguments, and the governing law. Plaintiff's objections do not address the Report and Recommendation in any persuasive way. The objections primarily amplify arguments Plaintiff has already made and the Magistrate Judge has already addressed properly. Nothing in Plaintiff's objections changes the core analysis in this case. Summary judgment in favor of the moving defendants is appropriate, for the very reasons the Report and Recommendation details.

ACCORDINGLY, IT IS ORDERED:

1. The Report and Recommendation of the Magistrate Judge (ECF No. 58) is **APPROVED AND ADOPTED** as the opinion of the Court.
2. The Motion for Summary Judgment filed by Defendants Corizon Health, Inc., Dr. Ravi D. Yarid, and NP Tammy J. Kelley (ECF No. 36) is **GRANTED**.
3. For the same reasons that the Court dismisses Plaintiff's claims, the Court discerns no good-faith basis for an appeal within the meaning of 28 U.S.C. § 1915(a)(3). *See McGore v. Wrigglesworth*, 114 F.3d 601, 611 (6th Cir. 1997) (overruled on other grounds by *Jones v. Bock*, 549 U.S. 199 (2007)).
4. This case is **TERMINATED**.

Dated: July 29, 2020

/s/ Robert J. Jonker
